IPA research among the recipients of the 2006 TIAA-CREF Paul A. Samuelson Award

The eleventh annual TIAA-CREF Paul A. Samuelson Award for Outstanding Scholarly Writing on Lifelong Financial Security awarded to Dean Karlan, President and Founder of Innovations for Poverty Action and Assistant Professor of Economics at Yale University, Nava Ashraf of Harvard Business School and Wesley Yin of the University of Chicago for their scholarly work on the importance of specialized savings products for the long-term financial security of the poor.
