Youth Savings Research Brief

2013 Child and Youth Finance Regional Meeting for Africa

On September 19 - 20, 2013, Child & Youth Finance International held its 2013 Africa Regional Meeting in Livingstone, Zambia. The regional meeting brought together leading experts, practitioners and innovators from within the region who are engaged in the issues of financial access and financial education for children and youth. IPA's Elana Safran led a workshop presenting results on IPA's research on Youth Savings.
