Asia Pacific Financial Inclusion Summit 2015

IPA Workshop at the Asia-Pacific Financial Inclusion Summit 2015

On October 29th, Zahra Niazi and Pooja Wagh from IPA's Financial Inclusion Program hosted a workshop on using randomized controlled trials (RCTs) to improve financial product design at the 2015 Asia Pacific Financial Inclusion Summit. The workshop provided attendees with real-world examples of how RCTs can produce rigorous evidence to improve financial product design. Find more information [here](#).
