SME Program Speaks at the International Conference on Sustainable Development (ICSD)

Lucia Sanchez, SME Program Director, participated in a panel discussion on "Data for Socially Inclusive Economic Growth" at ICSD 2016 in New York. Lucia's presentation provided an overview of the key problems facing SMEs around access to finance, human capital, and markets, and showcased a series of interrelated research projects aimed at testing effective solutions to those problems. She also shared IPA's experience bringing together policymakers and researchers to design and rigorously test innovative solutions to the most binding constraints to SME growth in developing countries.
