PBS on Impacts of an Interfaith Soccer League in Post-ISIS Iraq

PBS' Nova special <u>The Violence Paradox</u>, with Steven Pinker, explores evidence-based methods of reducing violence. They interview Political Scientist <u>Salma Mousa</u> and show her <u>RCT in Iraq</u> encouraging social contact between Christians and Muslims in post-ISIS Iraq with interfaith soccer teams. The study is one of <u>several supported by IPA's Peace and Recovery</u> Program.

Click below for the program. Note, the interview and segment on this research starts an hour and 35 minutes into the program
